DLH Announces Preliminary Results for Fiscal Year End 2019
Fourth Quarter Conference Call to be Held December 12

Atlanta, Georgia - October 15, 2019 - DLH Holdings Corp. (NASDAQ: DLHC) (“DLH” or the “Company”), a leading provider of innovative healthcare services and solutions to federal agencies, today announced selected preliminary results for the fiscal year ended September 30, 2019:

- Unaudited revenue for the fiscal year is expected to be approximately $159 million, including approximately $24 million from the recently acquired Social & Scientific Systems (“S3”).
- The Company paid down its senior bank debt to $56 million as of September 30, 2019, representing an aggregate reduction of $14 million since the S3 transaction closed. The next required principal payment is not due until March 2022, although the Company intends to continue using free cash flow to make prepayments when possible.
- The 12-month trailing leverage ratio for the Company is expected to be below 3.0 times consolidated EBITDA (as defined in the Credit Agreement) for the period ending September 30, 2019, yielding a lower interest rate spread on debt balances outstanding.

“In early June we completed the acquisition of S3, a key addition to our enterprise which aligned perfectly with our strategy to expand the Company’s Public Health & Life Sciences focus area, diversifying our portfolio and bringing scale to support growth. To continue providing visibility for our investors following that important transaction, we are pre-announcing a few financial highlights regarding the recently completed year end,” said Zach Parker, President and Chief Executive Officer. “We are rapidly delevering the Company and look forward to presenting our full results in early December after the annual audit is complete.”

As the Company has not yet finished its year-end annual close procedures, and the audit of its 2019 financial statements is not complete, the anticipated financial information presented in this press release is preliminary, subject to final year-end closing adjustments, and may change materially. The information presented above has not been audited by the Company’s independent accountants, should not be considered a substitute for audited financial statements, and should not be regarded as a representation by DLH as to the actual financial results for the fiscal year ended September 30, 2019.
